Puppies	Canines 6 weeks up to and including 5 months of age
Canine neonates	Canines less than 6 weeks of age
Cats	Felines over 5 months of age
Kittens	Felines 6 weeks up to and including 5 months of age
Feline neonates	Felines less than 6 weeks of age
Intake Terms	
Total Intake	Community/Partnership total intake: sum of animals entering all partner agencies from non-partner sources (i.e., excludes number transferred between Community-reporting partners), minus # animals returned within 30 days of adoption. Partner agency total intake: sum of animals entering shelter from all sources (including intake/transfers from Community-reporting partners) minus # animals returned within 30 days of adoption. Total Intake does not include any animals dead on arrival at the shelter (DOA). NOTE: also does not include any animals returning to the shelter location from a foster home. These are location changes, not new intake.
Transfer from partner	Animals transferred in from a "Community-reporting" partner
Sub-categories (that must total 'Intake - Non-Partner sources' when summed)	
Owner Surrender	Animals relinquished by the owner for any reason (including Owner Requested Euthanasia). Animals returned more than 30 days after adoption are included here.
Stray	Animals picked up in field or brought to shelter (by anyone) who have no known owner
Transfer from non-partner agencies	Animals transferred in from agencies that are not "Community-reporting" partners
Returns within 30 Days	Animals returned to shelter within 30 days of being adopted from that agency
Other	Animals born in care or from a source not listed above (including Court ordered impounds)

ASPCA: 2015 Animal Stats Data Definitions

Outcome Terms

Total Live Release	<u>Community/Partnership total live release</u>: sum of (animals returned to owner, adopted (net of returns), Released to Field (felines), and transferred outside the partner organizations to agencies that guarantee adoption of the animals transferred to them) minus # animals returned within 30 days of adoption. <u>Partner agency total live release</u>: sum of (animals returned to owner, adopted, transferred to any agency that guarantees placement) minus # animals returned within 30 days of adoption.
Return to owner (RTO)	Animals included in shelter Intake count (current or prior reporting period) who are successfully reunited with their owners (i.e. reclaimed from shelter)
Adoption	Final adoptions only. Does not include animals placed in foster care, on overnight 'trial' stays, or on hold at shelter prior to completion of adoption agreement.
Return to Field	Stray felines included in shelter Intake (current or a prior month), altered (or verified as altered) and returned to their capture location as free-roaming felines
Other Live Release	Canines included in shelter intake (current or prior month) with live placements that do not fit into the other live outcome categories (e.g., law enforcement, assistance dogs, etc.).
Transfer Out to Partners	Animals transferred out to other agencies or organizations that are "Community-reporting" partners
Transfer Out to Partners Non-	Animals transferred to agencies that guarantee placement and are not "Community-reporting" partners
Euth – owner-request	Narrow category that should only include animals that were brought to the agency specifically for a low cost euthanasia option. Animals relinquished for adoption that are deemed "unadoptable" by the partner agency should not be included here.
Euth – all other [reasons]	Animals euthanized for all reasons EXCEPT Owner Requested Euthanasia
Died in care	Animals in the agency's care that die (cause is NOT euthanasia) during their stay (in shelter or foster)
Lost in Care	Animals lost while in agency's care (e.g., escape from foster home, stolen)
Targeted Spay/Neuter, TNR and RTF terms	
Targeted S/N [by animal type, other than TNR or RTF]	S/N conducted on <u>owned</u> animals. Does not include shelter animals (or from partner shelters, non-partner shelters, rescue groups, etc) altered before adoption, or felines altered through a TNR or RTF program.
TNR (Trap, Neuter, Return)	S/N conducted on feral and/or free-roaming felines returned to a colony post-surgery. Does not include owned animals or felines who are RTF.
RTF (Returned to Field)	S/N conducted on felines taken into the shelter, counted as intake and then returned to their capture location as free-roaming felines.
Total Intake	Community/Partnership total intake: sum of animals entering all partner agencies from non-partner sources (i.e., excludes number transferred between Community-reporting partners), minus # animals returned within 30 days of adoption. Partner agency total intake: sum of animals entering shelter from all sources (including intake/transfers from Community-reporting partners) minus # animals returned within 30 days of adoption.
