

What is the Teen Club?

The teen club is for teens, 14 to 17, who have an interest and passion for learning about animal companionship. This program focuses on preparing teens to become responsible volunteers and representatives of the Charleston Animal Society. The following goals and objectives of the Teen Club:

- 🐾 To learn current best practices in companion animal care and training
- 🐾 To develop leadership skills and a service ethic in a supportive environment
- 🐾 To receive training and preparation for volunteer services opportunities at the Charleston Animal Society

The Teen Club meets for **2 hours**, on Sundays and is a combination of classroom, hands-on animal handling, and service learning activities.

Successful completion of all the requirements of this program make the Teen Club graduates eligible to apply for certain volunteer opportunities before turning 18, the age required to volunteer at the shelter. **Graduation requirements include:**

1. Regular & consistent attendance (no more than 2 excused absences & arriving promptly at scheduled time (Refunds will not be available to participants unable to complete the program.)
2. Coming to meetings prepared (wearing name-tag & volunteer shirt– completing homework assignments on time)
3. Completing a 5-8 minute Presentation
4. Service Project (self-directed drive for the Charleston Animal Society & Pets for Life)
5. Completion of written tests & hands-on demonstration of animal handling for cats & dog
6. Positive & respectful attitude

Graduation from the program is **not** a guarantee of placement. Just as with adult volunteers, the Volunteer Dept. matches people with available openings based on their skills and the current needs of the shelter. After graduation students must volunteer regularly each month to keep the privilege of volunteering.
