

## DOG PARKS AND BEACH REGULATIONS & INFO

### CHARLESTON COUNTY PARKS AND REC DOG PARKS & BEACHES

[www.ccprc.com/1513/Dog-Parks](http://www.ccprc.com/1513/Dog-Parks)

A visit to one of Charleston County Parks and Rec's (CCPRC) off-leash dog parks is a special treat for everyone, not just your pups. With acres to run and play, taking your best friends along for fresh air and exercise is good for you and as easy as a walk in the park!

#### CCPRC GENERAL DOG PARK RULES

- YOU are completely responsible for all injuries and damage caused by your dog.
- Pick up your dog's waste! If your dog goes, you must immediately remove the excrement – NO EXCEPTIONS!
- Leash your dog until it is safely inside, and return to a leash upon exiting.
- Always keep an eye on your dog, and keep voice control to prevent any trouble.
- Children must be supervised by an adult at all times.
- Leash your dog whenever you sense problems.
- Do not let dogs dig holes. If they do, fill them in immediately.
- Keep food out of the enclosures. Dogs may become overly protective or aggressive in the presence of food.
- Access to the dog park may be restricted during special events. If so, notice will be posted.
- Immediately report any bite or attack to the Park Office.

**Please report any and all animal abuse/mistreatment to the authorities – it is NEVER ok!**

#### CCPRC BEHAVIOR GUIDELINES FOR SHARED AND OFF-LEASH SPACES

- **Do** monitor your dog for inappropriate behavior. Handle any conflicts with kindness and good manners.
- **Don't** bring people food or dog treats into the dog park. Dogs may show undesirable behavior in the presence of food.
- **Did You Know**...You are supposed to leash and unleash your dog in the Double-gated entry/exit area? Mixing leashed and unleashed dogs can create a hostile situation.
- **Do** remember, this is a "dog" playground. Please closely watch your children. Dogs and children both frighten and excite easily - and react differently - which can create a dangerous atmosphere.
- **Don't** pick up or carry your dog or child as this sometimes causes excitement in other dogs that may jump up and nip at them.
- **Did You Know**...Leashed dogs may experience anxiety, fear or defensive posturing when approached by unleashed dogs? Please unleash your dog upon entering.
- **Do** keep the park clean by picking up an unclaimed "pile" and stop dogs from digging. And keep an eye on your dog so you know when to clean up his piles or holes.
- **Don't** let your dog poop in the water.
- **Did You Know**...You can keep water runoff clean by picking up poop and not using soap/shampoo to wash your dog at the park?
- **Do** play and interact with your pet while here. Exercise is good for humans too.
- **Don't** bring puppies or dogs to the dog park before they have had ALL their vaccinations.
- **Did You Know**...Young puppies should not go to dog parks because they don't understand canine body language and can unknowingly provoke undesirable and/or aggressive behavior in other dogs?

Animal Resource Center

[www.charlestonanimalsociety.org/GetPetHelp](http://www.charlestonanimalsociety.org/GetPetHelp)

- **Do** be prepared for behavior you may not like that is natural and not necessarily aggressive. Examples include growling, barking, charging, humping, posturing, play biting, curling of lips and wrestling.
- **Did You Know**...Not all dogs like to socialize? If your dog is timid or aggressive, leave them home for their safety and enjoyment.
- **Do** keep your leash with you so you're prepared to enforce a "time out" and remove your pet from the park if they misbehave.
- **Don't** bring your pet's favorite toy if he or she doesn't like to share.
- **Did You Know**...Spaying or neutering your pet will not only decrease pet overpopulation but will also make your visit a more pleasant one?

**SAFETY TIPS** (Provided by Bark Busters Home dog Training):

- **Observe:** Consider visiting the park without your dog for the first time to familiarize yourself with the park and the dogs that play there.
- **Start Out Slowly:** On your first few visits to a dog park, choose a time that is less busy; peak, high traffic-times at parks are weekday evenings, weekends and holidays.
- **Consider Size:** Keep to areas appropriate for your dog's size; if you have a smaller dog, take your pet to the park designated for smaller dogs.
- **Closely Supervise Your dog:** Don't roam too far from your pooch. Don't get distracted talking to other pet owners. Make sure your dog's interactions are safe.
- **Know When to Leave:** Remove your dog from the park if they are being bullied or seem fearful, display aggressive behavior or threaten other dogs, or if they are panting heavily or seem tired. Keep your dog's welfare a top priority.
- **Preventing Injury:** Prevent injury to yourself and your dog and react appropriately. Be aware of signs of a possible fight before it happens. If your dog injures a person or dog, provide your name and number to the injured party and notify park staff. Bring the contact information of your emergency vet and your cell phone to the park in case you need it.
- **Responsibility:** Be a responsible pet owner overall. Use common sense - clean up after your dog, make sure your dog stays enclosed inside the dog park, Don't let them intimidate others. It's up to you to make the difference in everyone's experience.
- **Have Fun!** Your Charleston County dog parks are a great way for you and your dog to relax and let yourself go. Don't forget to enjoy your visit.

## FREQUENTLY ASKED QUESTIONS

### 1. When are the dog parks closed for maintenance?

The dog park at Wannamaker is closed for routine maintenance every Monday morning until 10 a.m. The dog parks at James Island and Palmetto Islands are closed for routine maintenance every Wednesday morning, with James Island closed from 7-9 a.m., and Palmetto Islands closed from 7-10 a.m.

### 2. Is the water quality of the lake at James Island County Park monitored?

The dog park at James Island County Park is situated on a peninsula that is surrounded by a retention pond that does not drain into storm water sewers. Our staff worked with the S.C. Department of Health & Environmental Control (DHEC) prior to opening the dog park. We conduct water quality tests multiple times throughout the year to ensure that we meet DHEC standards for recreational use for dogs and people. In addition, riparian buffers were created along the retention pond border. These buffers help protect the water from the impact of the adjacent land.

### 3. Do you have a warning about alligators?

Alligators are a natural, normal, and important part of wetlands along the coast of South Carolina. Usually docile creatures, these reptiles can become aggressive as an unintended result of being fed by people. Once the alligator associates people with food, it must be killed. Remember: A fed gator is a dead gator. For this reason, the

**Animal Resource Center**

**[www.charlestonanimalsociety.org/GetPetHelp](http://www.charlestonanimalsociety.org/GetPetHelp)**

S.C. Dept. of Natural Resources can fine up to \$2,000 and imprison anyone feeding, harassing, or approaching an alligator.

#### 4. Is the dog park the only area where my dog can be off-leash?

Exercising, sniffing, and playing off-leash are important to a dog's sense of well-being. Your county park system is proud to provide these facilities for our pooch patrons in several county parks. However, once your pet leaves the dog park, it must be leashed at all times.

#### A leashed pet is not likely to:

- Stress songbirds & other wildlife
- Be harmed or killed by poisonous plants, venomous snakes, ticks, or vehicles
- Ruin the outing of another visitor, who may not recognize your pet as friendly or lovable

## PARK & BEACH LOCATIONS

### JAMES ISLAND COUNTY PARK: <http://ccprc.com/68/James-Island-County-Park>

**Hours:**

January & February: 10 a.m. - 5 p.m.

March & April: 10 a.m.- 6 p.m.

May - Labor Day: 9 a.m. - 7 p.m.

September & October: 10 a.m.- 6 p.m.

November & December: 10 a.m. - 5 p.m.

**Notes:**

Leashed dogs are allowed at the beach park with the following regulations - Both the eastern and western ends of the island that are marked as “Critical Habitat Areas” prohibit dogs at any time (on or off leash) year round. From the Beach Club (west) to the “Critical Habitat Area” beyond the County Park, is now a seasonal area and pets can be unleashed only between November 1 to March 15. The owner must remain with their pet, have their pet under control and have in their possession a leash in the event that there is a need to leash their pet, or if requested by other beachgoers. From March 16 - October 31, there is no off-leash area on the west end of the island.

**SULLIVAN’S ISLAND BEACHES** <http://www.sullivansisland-sc.com/>

**Hours for Dogs on the Beach – Changes Seasonally, Please Read Carefully!**

Summer Season (May 1 – September 30):

- Dogs Allowed On Beach:
  - Off Leash: 5 AM – 10 AM
  - On Leash: 6 PM – 5 AM
- Dogs Must Be OFF OF THE BEACH between 10 AM and 6 PM!

Winter Season (October 1 – April 31):

- Dogs Allowed on Beach:
  - Off-Leash: 5 AM – Noon
  - On-Leash: Noon – 5 AM

**Rules:**

- All dogs visiting the Island must have a dog permit and dogs should wear the Town-issued collar while on Sullivan's Island. Permits and collars are available at Town Hall (2050-B Middle Street). Please call (843)883-3198 for more information.
- You MUST clean up after your dog! Pet waste bag dispensers and trash cans are located near the entrance to each beach access path.
- Please keep your dog from relieving themselves in the water; it's unfair to the other beach goers and contaminates the water source.

**CITY OF CHARLESTON DOG PARKS**

**ACKERMAN DOG PARK – WEST ASHLEY**

55 Sycamore Ave., Charleston, SC 29407
